

Code the Future

Learn to build what's next.

BRAND GUIDELINES

The Forward Branch

The story

A path that rises and **forks**: one branch sprouts to a node — the path you could take — and the other shoots **forward** into an arrow. It reads three ways at once: a **code branch**, **growth**, and **forward motion**. It deliberately avoids the clichés — no `</>` brackets, no robots. The icon stands alone as an app icon and avatar.

Variations

ON LIGHT

ON DARK

MONO

APP TILE

Clear space & don'ts

Keep clear space equal to the icon's lowest node on all sides. Don't recolor outside the palette, stretch, add effects, or set the wordmark in another typeface. *Future* sits in brand blue (teal on dark).

Energetic, modern, accessible

PRIMARY — ELECTRIC BLUE • 600 IS THE INTERACTIVE WORKHORSE

SECONDARY — TEAL / CYAN

ACCENT — CORAL & AMBER

INK & SPACE — TEXT, BORDERS, DARK SURFACES

Friendly, geometric, readable

Build what's next.

Space Grotesk — Display & wordmark

Weights 400-700 • tracking -0.02em • Fallback: Futura, Trebuchet MS, system-ui

Code handles the loop.

Plus Jakarta Sans — Body & UI

Weights 400-800 + italics • Fallback: Avenir Next, Segoe UI, system-ui

for x in loop:

JetBrains Mono — Code, labels, eyebrows

Weights 400 / 500 / 700 • UPPERCASE eyebrows • Fallback: SF Mono, Consolas

Scale — 1.250 major third

Heading 28

A camp for builders

Lead 18

Sets the scene.

Body 16

Readable for kids & parents.

Eyebrow 12

SUMMER 2026

The marketing site

Bright, energetic, parent-credible. The glass nav, big Space Grotesk headline, and the dark "agent loop" code card set the futuristic-but-friendly tone the moment a family lands.

The platform, after login

The learner's home base. A space-navy sidebar, progress at a glance, a clear lesson path, and a "today's loop" sandbox — gamified just enough, never childish.
